

RMR POWER #1 ODD AGES (17/15/13)  
 SUNDAY, JANUARY 10, 2010 **REVISED 1/5/10 CHANGES ARE IN YELLOW**

*Seeding for Power #1 was completed by a committee created by the Junior Forum. Team information (rosters & seeding forms) was provided by Club Directors and are compiled for review by the seeding committee. Past results and club history are also considered when seeding teams. The Rocky Mountain Region's goals are to grow the game of volleyball at all levels, to challenge younger teams by allowing them to participate at older ages and to seed teams so that they reach their comparable level of competition. Parents and Coaches contact your Club Director should you have questions concerning the seeding process. Best of luck to all teams participating in the RMR Power Structure and have a great season!*
